**REQUEST FOR CORRECTION OF USPTO RECORDS AND**  
**PETITION FOR CHANGE OF CORRESPONDENCE ADDRESS**

Dear Sir or Madam:

The originally filed Power of Attorney in this case was not entered correctly by the PTO as further described below. Specifically, the PTO neglected to enter attorney William M. Wesley (Reg. No. 26,521). Our client has directed us to change the correspondence address in this case, but we are unable to do so without the entry of William M. Wesley (Reg. No. 26,521) as an attorney of record. Please enter William M. Wesley (Reg. No. 26,521) as an attorney of record in this case, as evidenced by the

enclosed original declaration/power of attorney. We have been advised by the PTO that  
the present action is the only way to enact this change.

Application No. 09/875,998  
Attorney Docket No. 2122

**REMARKS**

It has come to our attention that fewer than all of the attorneys that were appointed in the Declaration for Patent Application that was filed in conjunction with the prosecution of the above-identified matter were recorded in the United States Patent and Trademark Office ("USPTO") records, and particularly the USPTO database, as being Attorneys or Agents of Record. We ask that the discrepancies in the USPTO records be reconciled so that all of the appointed attorneys, especially William M. Wesley (Reg. No. 26,521), may proceed with transacting business related to the prosecution of the above-identified matter.

For your reference, a copy of the Declaration For Patent Application that was filed in this case has been included with this transmission. As shown on the second page of the Declaration, Robert W. Keller (Reg. No. 25,347), Noel F. Heal (Reg. No. 26,074), Connie M. Thousand (Reg. No. 43,191), and William M. Wesley (Reg. No. 26,521) have all been granted full power to prosecute this application.

At this time, we are also submitting a petition for Change of Correspondence Address (USPTO form PTO/SB/122) signed by William M. Wesley, an attorney appointed by the Declaration for Patent Application that was filed in this case but whose name was not recorded in the USPTO records.
